

**Spanish: starting in 101 with intentions to major**

*(Though most students who major in Spanish arrive with several years of language study in high school, with careful planning the major can be completed in 4 years.)*

**Fall—First Year**

SPAN 101  
Liberal Studies Program coursework (LSP)

**Spring—First Year**

SPAN 102  
LING 238  
LSP coursework

*Spanish 201 and 202 could be taken during summer school at Truman or elsewhere.*

**Fall—Second Year**

SPAN 330  
LSP coursework  
Class toward minor or area of interest

**Spring—Second Year**

SPAN 340  
SPAN 353  
Class toward minor or area of interest  
LSP coursework

*Most Spanish majors study abroad. In the case of someone starting as a true beginner in 101, it would be necessary to accelerate the language acquisition process in order to graduate in four years. In a summer program a student can bring back a semester's worth of Spanish credits (6 credit hours) applicable to the major and 6 hours of elective credit.*

Costa Rica or Spain Faculty-Led Study Abroad: SPAN 362 or 363; SPAN 450

**Fall—Third Year**

SPAN 360 OR 363  
SPAN 450  
LSP coursework  
Class toward minor or area of interest

**Spring—Third Year**

SPAN 461  
SPAN 364  
LSP coursework  
Class toward minor or area of interest

**Fall—Fourth Year**

SPAN 463\* or 456\*  
SPAN 471 OR  
LSP coursework  
Class toward minor or area of interest

**Spring—Fourth Year**

SPAN 440\* or 455\*  
SPAN 472  
SPAN 473  
LSP coursework  
Class toward minor or area of interest

\*Courses rotated every other year

*There are other course options in addition to those listed above. This plan is offered as an example.*
