

# BA English

---

This sample program suggests one way to navigate the curriculum in four years. You are NOT required to take every course in the semester indicated. Many patterns are possible depending on individual interest.

Notes: ENG 280 (Film Form and Sense) is a pre-req for ENG 322—Studies in World Cinema and ENG 411—Writing Workshop: Screenwriting and required for the Film Studies minor.

ENG does not recommend waiting until Sr. year to finish LSP courses.
