@Truman: 17th Annual BIG Event on Saturday, April 7th

On Saturday, April 7, hundreds of Truman students will provide services to the residents of the Kirksville community by raking leaves, washing windows, painting, etc. The 17th Annual Big Event gives Truman students the opportunity to show appreciation for all of the support the Kirksville community has offered them. Truman students can sign up for the BIG Event through the following steps:

- 1) Visiting truservice.truman.edu
- 2) Updating their profile to include your organization
- 3) Clicking Browse Activities
- 4) Clicking One Time Events
- 5) Selecting The Big Event
- 6) Choosing your organization from the drop down, and choosing "Add to My Activities"
- 7) Once "Add to My Activities" turns from green to red, you're done!

@Truman: Full-Length Practice Test Day on Saturday, April 14th 7:30am-4:30pm in VH 1232

Please BYOPT (Bring your own practice test) and we will provide the quiet space and computers. If you need help finding a practice test, please reach out to us. We recommend that you take this test as close to actual testing conditions as possible. To RSVP, click [here](#).

@Truman: Professionalism & Interview Tips on Tuesday, April 17th 5:30-6:30pm in VH 1412

Northeast Missouri AHEC and ATSU are putting on a workshop for high school students through undergraduate students via Zoom (teleconferencing). Join them by going to VH 1412 — bring your questions! No RSVP required.

These Basic Life Support (BLS) courses, taught by Liz Jorn and Jana Arabas of the Truman State University Department of Health and Exercise Sciences, are designed to help people recognize and respond to several life-threatening emergencies, provide CPR, use an AED, and relieve choking in a safe, timely, and effective manner. Click [here](#) for more information and to register.

@Truman: MOMOM (Missouri Mission of Mercy) is Coming to Kirksville on August 3 & 4, 2018 — Volunteers NEEDED

There are lots of volunteer opportunities available for pre-health (and other) students. This is a great way to serve others who need dental care as well as serve your community. Click [here](#) for more information about MOMOM in general. To inquire about the volunteer opportunities available, contact Tisha Kice-Briggs ([here](#)), Amanda Fitzpatrick ([here](#)), or Paul ([here](#)).

Did You Know?

We have overviews of all pre-health professions requirements & ideas on shadowing, volunteering, & research in Kirksville.

Visit <http://excellence.truman.edu/advising/pre-health-professions/> for more information!

We have a table with great information regarding pre-health professions, schools, admissions tests, and other pertinent information. We have test prep materials available for checkout.

The information table is located in the Kirk Building hallway, outside of the freshmen academic advising office (Kirk Building 107). To check out materials, contact [Brittany Harden](#) or make an appointment to meet with her.

We have an archive of all of the previous newsletters.

Click [here](#) for more information!

We have an MCAT/Health Admissions Test Prep Course.

The course is currently titled INDV 320: MCAT/Med School Success Seminar — it is open to all students who will be taking an admission test for a health professions school (MCAT, DAT, OAT, etc.). If you have questions regarding this course, please contact [Brittany Harden](#).

Meet with a pre-health advisor or the pre-health coordinator:

If you are in your second year at Truman AND majoring in Biology, Chemistry, Exercise Science, or Health Science:

- You should meet with the designated pre-health advisor in your major. Depending on the department, some major advisors have a specific pre-health profession and some are versed in multiple pre-health professions.

If you are a first-year student OR a first-semester transfer OR are majoring in anything **other** than Biology, Chemistry, Exercise Science, or Health Science:

- You should meet with Brittany Harden to help guide your preparation for health professions school. You may call 660-785-7403 or stop by the advising reception desk in Kirk Building 107 (Monday-Friday 8am-5pm) to make an appointment.
