

## Transfer Program Guide Metropolitan Community College (MCCKC) Associate of Arts (AA) to Bachelor of Science (BS) in Health Science, Community, Worksite, and Public Health Concentration

Completion of the AA degree or the Missouri Core 42 transfer curriculum at MCCKC fulfills the Essential Skills, Modes of Inquiry, and Intercultural Perspective requirements in Truman State University's Liberal Studies Program (LSP). Students transferring with an AA are required to complete INDV 310 Transfer Student Seminar, two Writing-Enhanced (WE) courses, a 3-credit JINS course, and to demonstrate elementary proficiency in one foreign language, in addition to the remaining major requirements, required support, and the Bachelor of Arts or Bachelor of Science requirement. A detailed explanation of Truman's LSP can be found at

http://catalog.truman.edu/preview program.php?catoid=12&poid=1571.

Recommended Courses for Transfer	
PSY 140 General Psychology	3
MAT 115 Statistics	3
Elementary Foreign Language I	4
Elementary Foreign Language II	4
CHEM 101 Survey of Chemistry OR CHEM 105 Introductory Chemistry for	
Health Sciences OR CHEM 107 Preparatory General Chemistry	5
BIOL 101 General Biology	5
BIOL 110 Human Anatomy	5
BIOL 210 Human Physiology	5

## Note on Foreign Language:

All students at Truman State University are required to demonstrate elementary proficiency in one foreign language, which requires up to two semesters to complete. Students pursuing a BA degree are required to demonstrate intermediate proficiency in one foreign language, which requires up to four semesters to complete. All transfer students are recommended to begin their language study as early as possible, to ensure a smooth path to graduation.

Summer Following Fourth Semester			
HLTH 460 Intern	ship in	Health Education	6
Total Credits for	r <b>B.S. in</b>	Health Science Degree Completion	120
* Prerequisite override required			

## Notes

Completion of the above plan will put a transfer student on pace to complete the B.S. in Health Science at Truman State University in two years, plus one summer, assuming satisfactory academic progress. A student transferring without all of the above courses may require more time to complete the degree.

## **Other Program Requirements:**

• All Health Science majors are required to earn a 2.5 GPA in select major and B.S. requirements

In order to graduate with a Bachelor's degree, all students at Truman State University are required to satisfy the following:

- A 2.0 minimum cumulative GPA (unless a higher requirement is specified), a 2.0 minimum GPA in all coursework completed at Truman, and a 2.0 major GPA
- 120 total credits
- 40 credits of upper-level courses (courses numbered 300+)
- 45 credits must be completed in residence, 28 of which must immediately precede completion of requirements for the degree, 15 of which must be major requirements
- The Truman Week requirement is waived for all transfer students.
- Completion of The Dialogues, Truman's undergraduate general education curriculum. Dialogues requirements can be found in the Truman State University catalog. A detailed explanation of the above graduation requirements for a Bachelor's degree can be found in the Truman State University catalog.
