@Truman: 17th Annual BIG Event on Saturday, April 7th

On Saturday, April 7, hundreds of Truman students will provide services to the residents of the Kirksville community by raking leaves, washing windows, painting, etc. The 17th Annual Big Event gives Truman students the opportunity to show appreciation for all of the support the Kirksville community has offered them. Truman students can sign up for the BIG Event through the following steps: 1) Visiting truservice.truman.edu 2) Updating their profile to include your organization 3) Clicking Browse Activities 4) Clicking One Time Events 5) Selecting The Big Event 6) Choosing your organization from the drop down, and choosing "Add to My Activities" 7) Once "Add to My Activities" turns from green to red, you're done!

Did You Know?

We have overviews of all pre-health professions requirements & ideas on shadowing, volunteering, & research in Kirksville.

Visit <http://excellence.truman.edu/advising/pre-health-professions/> for more information!

We have a table with great information regarding pre-health professions, schools, admissions tests, and other pertinent information. We have test prep materials available for checkout.

The information table is located in the Kirk Building hallway, outside of the freshmen academic advising office (Kirk Building 107). To check out materials, contact [Brittany Harden](#) or make an appointment to meet with her.

We have an archive of all of the previous newsletters.

Click [here](#) for more information!

We have an MCAT/Health Admissions Test Prep Course.

The course is currently titled INDV 320: MCAT/Med School Success Seminar — it is open to all students who will be taking an admission test for a health professions school (MCAT, DAT, OAT, etc.). If you have questions regarding this course, please contact [Brittany Harden](#).

Meet with a pre-health advisor or the pre-health coordinator:

If you are in your second year at Truman AND majoring in Biology, Chemistry, Exercise Science, or Health Science:

- You should meet with the designated pre-health advisor in your major. Depending on the department, some major advisors have a specific pre-health profession and some are versed in multiple pre-health professions.

If you are a first-year student OR a first-semester transfer OR are majoring in anything **other** than Biology, Chemistry, Exercise Science, or Health Science:

- You should meet with Brittany Harden to help guide your preparation for health professions school. You may call 660-785-7403 or stop by the advising reception desk in Kirk Building 107 (Monday-Friday 8am-5pm) to make an appointment.
